

Chris McAllister Limited

SAFETY, HEALTH AND ENVIRONMENTAL POLICY

1. Chris McAllister Limited Health and Safety policy shall be based on current legislation and Approved Codes of Practice where appropriate.
2. Reasonable care shall be taken to ensure that all persons acting under the aegis of Chris McAllister Limited shall be aware of this policy and appropriate Health and Safety legislation, Approved Codes of Practice, Environmental legislation or similar.
3. Safe systems of work shall be used at all times.
4. Safe methods of working shall be used at all times.
5. All equipment shall be used in safe manner.
6. Particular care shall be taken when using: motor vehicles, electrical equipment operating at mains voltages, mobile phones (e.g. in cars and on garage forecourts)
7. Resources shall not be wasted: paper shall be recycled, old equipment disposed of correctly, electrical power shall be used sparingly, equipment turned off when not in use and maintained in a manner which will ensure continued economic working.

Chris McAllister, August 2006
